The Illinois Association for Pupil Transportation, in conjunction with the Illinois Joint Conference, invites all those involved in Illinois school bus transportation to join us.

The 2011 conference theme is “*Mission Impossible*.” Our industry is being affected by the state of this nation’s and our state’s economy. No one is exempt from being asked to make do and cut budgets, while still providing our students with the best transportation possible. We have a great schedule of events to peak your interest, educate your mind, and give you opportunities to network with your peers. As stated last year, we recognize the difficult economic times in Illinois. We offer affordable events with timely workshop topics.

We look forward to spending time with you in Sandwich, Illinois. The Timber Creek Inn & Suites and Convention Center is a new hotel and convention center located in the Western suburbs of Chicago. This state-of-the-art facility is sure to please all attendees with its flat-screen TVs in each room, mini-frig and coffee maker along with the indoor pool and spa. The convention center is attached to the hotel with carpeting throughout the entire site. We think you will agree that this new site is the perfect setting for our convention and Trade Show.

These events are a must for all individuals involved in the school transportation industry in Illinois. Come see the latest products available at our trade show — and stay around for the prize giveaways! When you attend, please join us for the evening events.

**Come to IAPT's Mechanic Workshops** to receive information and hands-on training. At this year's workshops, Braun and Ricon are scheduled to give seminars and hands-on training on their wheelchair lifts. The three large bus manufacturers, Blue Bird, IC Bus, and Thomas Built Buses will speak about their vehicles. Mechanics attending the workshops also have the opportunity of attending our large trade show and speaking with representatives from all exhibitors. For more information, contact Karen DePorto at [kdeporto@lw210.org](mailto:kdeporto@lw210.org).

Following the workshops, all mechanics are invited to participate in the IL Best School Bus Technician Competition — **either as a competitor or as an observer**. The Tech competition is a fun learning experience for everyone. The final scores of the competitors will not be revealed. The mechanic with the highest score from the written part and the "hands-on" part of the competition will earn the opportunity to represent Illinois at the National competition. Travel expenses to the National competition will be provided by Hydrotex and IAPT.
